Hi Jay,

Our meeting is at 8:30AM tomorrow at [10880 Wilshire Blvd](#), in a lobby level conference room. You've been there before when we were talking about bike lanes.

Park in the building and I'll validate you.

Bird is first on the agenda. I hope we can get through it in around 30ish minutes or so.

Thanks! See you tomorrow.

Andrew

Hi Andrew,

I am confirming that the Bird scooter issue will still be discussed at the committee tomorrow. What is the location and where do you recommend parking? I will do my best to be there at 8:30, but I may not be able to stay long since I have another meeting at Metro in downtown at 10:00 a.m.

Thanks! I've spoken with Chun before.

In other news, we have scheduled our next Parking, Access, and Transportation Committee meeting for March 6th at 8:30AM. We've asked Bird (scooters) to come and I think they will. FYI. I hope you can join us!

Hi Jay,

I hope all is well.

I also hope we can start a conversation about bike lanes in the district, in particular on Gayley Ave. Jasmine attended our WVIA Board meeting today and afterwards we talked about getting the WVIA, CD-5, UCLA, and Metro in a room together to talk about this item.

I'm happy to help coordinate. Please let me know your thoughts.

Thanks!
